

## Triple Action Carpet Care Usage Instructions

Triple Action Carpet Care is a unique non-toxic and environmentally sustainable solution that deep cleans carpets and upholstery to leave them cleaner, fresher and brighter. Unlike other carpet shampoos, Carpet Care contains no soaping agents, so there's no sticky residue left behind to cause resoiling and dulled appearance, and no need for anti-foaming additives.

Carpet Care is fragrance-free and contains powerful Concrobium antimicrobial technology to eliminate and prevent musty odours caused by mold and mildew.

### Directions

- Vacuum carpet or upholstery thoroughly.
- Shake product well prior to use.
- Safe for use on most types of carpets and upholstery.
- Always test on an inconspicuous section first.

**For standard rental, pro & home hot water extractor carpet cleaning machines**, add product directly to the reservoir after adding water.

**For general carpet cleaning** add 16mL (2 oz.) of Carpet Care per litre of hot water (use warm water for upholstery).

**Approximate coverage:** 1000-1500 sq.ft./3.78L.

**For manual spot cleaning** apply concentrate directly on stain and agitate with a cloth or brush. After cleaning, keep off carpet and upholstery until dry.

**Keep out of reach of children.** Avoid contact with eyes. May irritate eyes. In case of contact with eyes, flush with water for at least 15 minutes. Do not ingest. If swallowed, call Poison Control Centre or doctor immediately. Do not induce vomiting.

**First aid treatment:** Contains: Sodium Carbonate, Sodium Bicarbonate and Trisodium Phosphate
