

# Product Specification Sheet

Gloves Off® All Purpose Cleaner & Disinfectant is a botanical, DIN-registered (DIN 02333775) disinfectant, virucide\* and fungicide made from a proprietary blend of plant extracts and essential oils.

This unique, botanical thyme and oregano oil based formula offers several advantages over traditional disinfectants:

## > Safety

All natural, plant-based ingredients are non-toxic and biodegradable; no ammonias, chlorines, or glutaraldehydes

## > Efficacy

2 in 1 solution offers proven disinfection with superior cleaning performance

## > Ease of use

Rady-to-use, no dilution required; muted fragrance blend of citrus and essential oils that will not irritate users

## Recommended Uses

Gloves Off All Purpose Cleaner & Disinfectant can be used in homes, schools, cars, boats, gyms, garages... anywhere disinfection is required to protect health and safety.

## Ideal for:

- > General cleaning and maintenance of kitchen counters, appliances, dining tables, toilets, bathtubs, showers, pet areas, children's items, floors, lawn furniture, waste bins, sports equipment, storage areas and many, many more.

## Application Guidelines:

### To Clean:

Gloves Off® All Purpose Cleaner & Disinfectant contains powerful plant-based surfactants that can remove tough dirt and grime.

Spray and wipe clean.

Use a tool appropriate for the surface and substance being cleaned.

### To Disinfect / Deodorize:

Spray until thoroughly wet and let stand for 10 minutes.

Allow to air dry. No rinsing required.

Heavily soiled surfaces should be pre-cleaned with the product (as per above) prior to application.
