

Product Specification Sheet

Gloves Off® Triple Action Carpet Care is a unique, non-toxic solution that deep cleans carpets and upholstery to leave them cleaner, fresher, and brighter.

Unlike other carpet shampoos, Gloves Off Carpet Care contains no soaping agents, so you get deep cleaning without the sticky residue that can lead to resoiling and dulled appearance. Also, Triple Action Carpet Care does not require anti-foaming additives.

Gloves Off Carpet Care is fragrance-free and contains the powerful, patented Concrobium antimicrobial technology to eliminate and prevent musty odors caused by mold and mildew.

Usage

Safe for ALL types of carpets and upholstery

Including – rugs, floor mats, fabric drapes, fabric couches, throw rugs, fiber carpeting, stain resistant coatings, synthetic fibers and wool.

Benefits

Professional Strength Carpet & Upholstery Cleaning

- > Gloves Off Triple Action Carpet Care provides 2X the coverage vs. leading brands.
- > Deep penetrating formula to ensure cleaner, softer, brighter carpets and upholstery
- > Deodorizes and reduces airborne allergens

Reduce resoiling

- > Cleaning with the solution requires less water so carpets dry faster which reduces the opportunity for germs, mold and bacteria to grow while saving on water consumption.
- > Surfactant free & no sticky residue
- > Non foaming solution – no need for anti-foaming additives

Eliminate musty odors

- > The special formulation contains Concrobium antimicrobial technology to eliminate and prevent musty odors caused by mold and mildew.
- > Non-toxic & environmentally sustainable ingredients that pose no harm to the user or the planet. No harmful traces or fumes are left after cleaning.

How To Apply

Always test on inconspicuous section first

Approximate coverage - 1000-1500 sq. ft / gallon (3.78L)

Step 1 – Vacuum carpet or upholstery thoroughly.

Step 2 – Shake product well prior to use.

Step 3 – TEST on an inconspicuous section first.

Step 4 – For **STANDARD** Rental, PRO, & Home hot water extractor carpet cleaning machines, **ADD** product directly to the reservoir after adding water.

For **GENERAL** carpet cleaning, **ADD 2oz.** (60mL) of Carpet Care per gallon (3.78L) of **HOT WATER** (use warm water for upholstery).

After cleaning, keep off carpet and upholstery until dry.

For **MANUAL** spot cleaning, apply concentrate directly on stain and agitate with a cloth or brush.
